

Dominic Clermont

Senior Equity Specialist, EMEA

As a Senior Specialist, Dominic assists EMEA clients with practical use cases on the use of Axioma optimizer and risk models. Dominic shares his practical experience on managing indexing and enhanced indexing strategies, Smart Beta, Multi-Factor Alpha strategies, Minimum Volatility strategies and ESG strategies.

Prior to joining Axioma, Dominic worked at MSCI BARRA in London as Executive Director in the Analytics group.

He previously worked in Quantitative investment management. He headed Quant groups for two of the largest Canadian-based investment organizations, TD Asset Management and the Caisse de dépôt et placement du Québec, where he managed risk-controlled Alpha and multi-factor strategies in various markets – both long only and long short products.
